We're not cheaters. We're just having fun. Men don't usually consider it cheating if we girls play with each other. It's different when it's with another guy. That's cheating. But if you get him to join in a three-way with your girlfriend, then you can have the best of both worlds. We say you should go for it.

dark secrets we all have them

Donovan and I have been discussing if by chance you would consider coming to work for us. We'd love you to help watch our kids for the summer. Donovan has taken a job that dictates he'll be traveling a lot and I'm going need the help." said Silvie. We were at our church's spring picnic and I had come home for spring break during my senior year. My name is Riley and I'm 20 years old and graduating college in a couple months wanting to be a teacher. I heard jobs were going to be scarce this next school year as the school board cut back on teacher's salaries and positions. Thinking ahead to the prospect of no work after college, I thought I shouldn't pass this up, even if it's just a summer job.

I told Silvie I was flattered that they'd consider me for such a position. "If it will help you decide, there's an extra bedroom on the second floor of the house that you can have as yours while you work for us. For free, and we'll share making dinner for the summer." I told Silvie that was a generous offer and I would like to talk things over with my parents and if I see her next week at church, I'd have an answer for her. We exchanged phone numbers and headed to our cars to leave. A week later I saw them at church and accepted their offer. I moved in with them June third after my graduation.

It's the Fourth of July now and I've been on the job for a month and all seems good. I do my work taking care of the kids, and they seem to have accepted me as a part of the family. Tonight, however, Silvie asked if I would also watch the kids of their best friends tomorrow because they all wanted to go to a party. I said I would and actually looked forward to it. It was the Hart's place at two in the afternoon and they were going to leave around five for their soiree. She said they would have a few hours to get ready before going to a church function that also included a dance later in the evening.

Down the hall, I could hear Silvie in the shower, and I went to my room to prepare. I pulled my t-shirt over my head and looked at my boobs in the mirror. They were full and my nipples were always hard. I wore padded bras so no one would notice. I heard Silvie come out of the bathroom and into her bedroom. I slipped on a modest skirt and went downstairs to wait for everyone.

A half-hour later, everyone had gathered in the living room and we went to the garage and piled into the mini-

van. It was a short fifteen minute drive to the Harts'. We turned into a really nice development with big new houses. Donovan stopped the car outside a big modern mini-mansion type of house. The door opened as we approached and a tall, good-looking man about forty or so stood there. He shook Donovan's hand and then kissed Silvie on the cheek. He asked if I was Riley. Donovan said 'yes' and I said "Nice to meet you." "Won't you all please come in." he said and we all walked down the hall and through another door, I followed the group not knowing where we were going, but everyone else seemed to know.

The slurping sounds of their tongues on pussy is so erotic and exciting that I just close my eyes and listen.

A shrill voice shouted from the top of a stairway, “Silvie, honey, I’m upstairs.” Silvie takes my hand and says “Riley, come and meet Izzy” and led me up the stairs. She found the bedroom and we saw Izzy standing at the foot of a large, unmade bed. She was wearing a large beige towel wrapped around her, tucked it in above a pair of large boobs so it wouldn’t fall. That left the towel a little short and at times I could clearly see her hairless pussy as she moved about. As she kissed Silvie on the cheek, she glanced over at me and said, “You must be Riley. I’m Isadora, but everyone calls me Izzy. Thank you so much for helping out tonight. We don’t often get out for parties and this is a blessing. Let me get dressed, then I’ll show you where everything is.”

I sat on a chair near the bed and watched as she went to her wardrobe, all the time she and Silvie were chatting away. She dropped the towel and stood there naked momentarily as she pulled a shiny dress out and stepped into it. “You look pretty sexy in that dress. Think it’s appropriate for the church?” said Silvie. “It may not be right for church, but it’s right for the dance.” she replied, and they both laughed.

Izzy showed me round the house pointing out the different places. The two living rooms, the bathrooms, their kid’s bedroom and the bedroom for the Miller’s kids, who were now settled in and getting sleepy. She showed me the kitchen and we ended up in the family living room where she told me to pull some DVD movies out if TV was too boring. I saw the two couples to the front door, closing and locking it behind them as they drove off to their function.

I watched TV for a while and it did get boring. Who’d think with over 300 channels to choose from that TV would get boring? So I decided to watch a movie and went to the DVD player to put one in. But there was one already in and it was on ‘Pause.’ Not really caring what I was gonna watch, I pressed the play button and it spun into action. I could hear Izzy’s voice coming from the speakers as the video kicked in. She was standing in the middle of a room naked and playing with herself. She was rubbing quite freely and looking at someone just off camera. “Come over here.” she commanded and I was shocked to see Silvie’s butt, then her whole body walk over to Izzy. She went over and stood next to Izzy and pulled Izzy’s hand from her pussy and put into her mouth. Izzy rubbed her fingers around her lips, and

over then over Silvie’s. Silvie pushed her face closer to Izzy’s and kissed her, pushing her tongue out and licking around Izzy’s lips. The camera zoomed in to the action and then I realized that someone else was behind it filming all this. I wondered whose husband it was, or maybe both of them, or maybe even someone else. Izzy then pushed Silvie’s head down between her big boobs and Silvie started sucking on her nipples. After a few minutes and plenty of licking, Silvie stopped sucking and biting on her nipples, readjusted their positions and sat on the bed. It was the same bed as the one upstairs. It was Izzy’s bedroom.

Silvie then pushes Izzy gently back onto the bed. She kneels in front of her and pulls Izzy’s legs up and apart so she can get at her pussy. I hear Silvie’s voice, “Baby, you’re so wet.” Izzy moaned and said, “I’m waiting for

I don't need to watch. I try to mimic the sound and the rhythm of their actions with my fingers in my pussy.

that wonderful tongue of yours. My clit needs licking.” I could now feel the juices in my own pussy building up but I couldn’t tear away from the screen. The camera now got a close up of Silvie eating Izzy’s pussy. Then it panned up Izzy’s body to show her fingers pinching and pulling on her hard nipples. Now Izzy’s ecstatic face came into view and she was rolling her head from side to side, licking her lips and pushing fingers into her mouth.

I leaned back on the sofa and hiked my skirt up a bit. Then I slipped a couple of fingers in my pussy and fondled my clit as the action on screen moved back down to Silvie licking. On the screen now, Izzy had acquired two large dildos and handed one to Silvie. Izzy leaned forward and pushed her dildo up inside Silvie’s pussy all the way in and then pulled it out. She did this several times before rubbing it over Silvie’s nipples. Izzy then

took each one of Silvie’s nipples into her mouth and sucked and nibbled on them. Then they switched and Silvie did the same to Izzy. Now they’re both laying back and each was fingering the other’s clit and sucking each other’s nipples. Izzy pushed her dildo into Silvie’s sop-ping wet hole and thrust it in and out a dozen times or so, then pulled it out and put it into her mouth to suck it clean. Silvie returns the favor and the camera zooms in for a magnificent close up of the dildo going into Izzy’s smooth, wet pussy.

The two ladies switch positions on the bed into a femme sixty-nine with Izzy on top of Silvie. The slurping sounds of their tongues on pussy is so erotic and exciting that I just close my eyes and listen. I don’t need to watch. I try to mimic the sound and the rhythm of their actions with my fingers in my pussy. While not making quite the same slurping sounds, I can hear my fingers sloshing around in my pussy juices. On screen, both were now fucking each other with the dildos, each nearing orgasm. I changed hands a dozen times before exploding, my pussy clenching tight around my wet fingers. When I opened my eyes, the screen was black. My pussy was still tingling as the last drips of my juices seeped out onto the sofa leaving a wet patch on the cushion. I straightened my clothes and went to the kitchen to get a wet cloth to clean it up.

Later, I went back upstairs and checked on the kids who were still sound asleep. I went back downstairs, and got a cold drink and went back into the living room to watch some more TV. An hour or so later I heard some racket at the back door and then muffled voices coming from the kitchen. I could make out Silvie’s voice and then Donovan’s. Then I heard Izzy’s crisp and clear as she entered the family room. “I hope we haven’t kept you up, Riley.” she said. “Honey, you should have gone to one of the spare bedrooms and slept for a while. If you like, Silvie said you can stay here tonight tomorrow she’ll pick you all up.” Sylvie then chimes in “If you like, I’ll take you shopping tomorrow as a big thank you. How does that sound?” “That sounds wonderful, thank you.” I say to Sylvie. “Then I’ll see you tomorrow, Riley.” she said as she pulled Donovan out the front door.

Closing the door behind them, Izzy asks how my evening was and thanks me again for staying at the house. She grabs my hand and pulls me towards the stairs. We climbed the stairs and looking back at me says, “I’ll show you where you can sleep.”

every so often, one encounters a woman of unspeakable beauty whose loveliness is enhanced by her willingness to share herself with the world. Sydney must have woken up one morning and realized that it would be a crime against humanity to keep her beauty concealed under-clothing and so she embarked upon the path of proposing new and showing off her magnificentness in all it's ravishing glory.

I ENJOY BEING AU NATURAL IN THE GREAT OUTDOORS. WISH YOU WERE NAKED HERE WITH ME.

Her butt is the sort of thing of which legends are based, homes are wrecked, promises are uttered, tears of unfettered adoration are wept and milky loads of man-spunk are spilled. The rest of her is equally as marvelous as her pert firm breasts make men and women drool to gat their lips onto her hard nipples. Sydney is best enjoyed basking in all-natural surroundings as we have captured her here.

Allison has invited Talon over for a fun afternoon because she was horny and heard he was a good man to satisfy her horniness. Allison starts out a little bit shy, but that doesn't stop her from undressing in front of him. He's pretty gentle at the start but when her hormones explode, she turns into a wanton woman asking for her ass to be fucked. He immediately obliges and fucks her butthole until they both climax at the same time.

SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd drink their bathwater, bear their children, or just that you have a secret crush on them.

I'm a tattoo kinda guy. Love gals with tats. That means I gotta love Sky Waters and her awesome tats. She's the type that can wear them and look good in them. Unafraid of others, just like me. Some girls may love jewelry, but Sky only cares about her tats. I'd really like to get into this cutie's slick pussy. I'd show up at her door loaded down with bouquets of only the finest flowers. Then I'd lay down a trail of long stemmed roses to her bedroom, and Sky would be ready to spread her lovely fleshy petals just for me.

But I don't assume that this gorgeous face, perfect ass, and outrageous set of boobs comes too easy. Just like her delicate tats, I'm sure Sky demands plenty of attention and nourishment from the hose that's hanging between my legs, and I can't wait to feed her with it. All she has to do is let me know that she's hungry.

— Percy K., Florida

If Natalli was new to America, and the Nordic beauty immediately demanded that we take her out to the shore, I'd get a car faster than a New York minute and drive her there. Why there? Cause it's my favorite spot on earth and I'd share that with her. I think she would be really eager to see what it was like to frolic in the Atlantic Ocean. This would be one suggestion I'd be happy to accommodate, since the sun and the breezes would soon have Natalli stripping her clothes off. We wouldn't even get up the stairs to the motel room before she began bearing her excellent ass and succulent pussy to me. By the time she was able to stretch out, she'd be anxious to show me just how wet she'd become by the pounding surf. She'd get us tempted to do a little pounding ourselves.

TODAY'S ~~HOMECOMING~~ HOMECUMMING QUEENS

*They were sweet and innocent.
They reigned for barely a year.
Now they're trying to make it in porn.
Oh, how far they've cum.*

Where are they now? They're here!

Through the years there have been thousands and thousands of homecoming queens. High schools have 'em. Colleges and universities have 'em, too. Some have courts. Some have homecoming kings. But almost all go on to live happy and fruitful lives. And we never hear of or from them again. But not these women. We know exactly where they are now.

I like it best with a big cock in my mouth.

I loved being the homecoming queen. It was the first time I had ever won anything like that. That was in college and I loved turning men into nervous wrecks, once I knew the power of pretty pussy. Now, I'm experiencing a whole new kind of sexual situation. I'm a born exhibitionist and I've always loved the idea of fucking in cars. I remember when I was only making out in them, but now I'm photographed in them, I'm making videos fucking in them, and I'm driving a nice one that I've purchased with my own money, I want you to know. It's a small red convertible and I like to strap in and ride along winding country roads with the wind in my hair, and I point one of the vents directly down at my steamy pussy. It's just like me... meant to be driven hard, fast and long.

My looks serve me well when I need something.

Some women say yes, others will say no to beauty contests. I like them. That's how I became homecoming princess and then my senior year, I became the queen. I remember wearing the tiara for a few days to classes, but that didn't go over too well. Today I have that crown in a display case at my mom's house. She was so proud of me then, but not so much now. I traded that headpiece for a dildo and lady lovers. There is little doubt that becoming a queen made me realize how I can manipulate my situation just by flashing a big smile, or now, my boobs and butt. No matter which way I go, I tell everyone, "That's how I roam!"

I can't wait to get my clothes off!

I was indeed the homecoming queen at my small state college. It would have all been better, though, if we had won the football game, but that was years ago, and I've left that behind. Now I like to dabble in fashion but today's fashions bore me. I have a closet full of clothes but don't quite feel right in any of them. I'm not happy with anything that I see in the department stores or boutiques. I usually walk around my apartment in panties and a man's dress shirt covering my fashionable boobs and classy pussy. By the end of the day, I've usually dropped both of them and dream of the kind of clothes that I would design if given an opportunity. But before I retire for the night, I finger-fuck myself into orgasmic heaven thinking about my own designer line.

My days are filled with work and my mouth with sex.

I always liked playing dress up, so when I won homecoming queen and got to wear a big frilly gown and sash across my chest, I was in queenie heaven. But today, all I need is a pair of ripped jeans to keep me and a guy interested. And that sash across my chest has been replaced by a splash of sperm. So instead of dressing up now, I dress down to nothing and get rewarded handsomely for it.

I remember the school rivalries best. We always won!

Yes, I was a cute homecoming queen back in the day. I remember practicing 'the wave' for hours after school to be ready for the big parade across town. But that's the past. Today I'm known for my blow jobs and anal scenes, both of which I do pretty well. I can't say being a homecoming queen helped much preparing me for that, but that was then and this is now.

No more punk princess for me, I'm a good girl now.

I'm a very good girl now although I wasn't a short while ago. I went to this really 'progressive' school and while we didn't have a homecoming queen in the traditional sense, I was voted most punked out perverted princess. Now I like to get all spruced up in my Sunday best, just so I can strip down later and flash everything in sight. That's what makes me so adorable. For starters, just look at my lovely legs, or maybe you'll like my luscious pair of gorgeously round tits? There's also the slightly sensual demeanor that always shines through my attempts to appear quiet and shy. In fact, I can even get through a photo shoot without having to make myself come. The thought of all those horny guys and girls watching my videos, or looking at my photos gets me a little too excited and I have to reach between my legs and bring myself to a screaming climax. Just like I'm going to do now. Cover your ears!

I never thought I'd be fucking girls, too!

It's not what you wear, it's how you wear it – or don't wear it. Looking back, I find that whole homecoming queen thing (yes, I was one) kinda amusing. It was exciting at the time. Just as having hot sex with incredibly fuckable men or women. I also never turn down an opportunity to lounge by the pool nude – as long as I can keep my shoes on. I like to get pumped, but I won't do it without my expensive designer pumps. I'll throw my best dress in the gutter for the sake of sex, but nothing gets my pussy dripping quicker than a pair of fine leather pumps covering my feet.

I think I've been a good girl but I definitely need a hard fucking. Since no man is around I'll fuck my cute pussy and ass my myself with the cyrstal clear attention they deserve. I love to make myself cum and when I think that you may be watching me dildo myself, I cum even more intensely. I'll do my best to give you the best view, but when that moment cums, I hope that you will too. Cum on and watch me cum.

I love guys with a big cock that has just a little bit of an upwards curve to it. When it's tip hits deep into my insides, I'm in pussy heaven. I also like my guy to have a little attitude that they carry into having sex. Guys that will lay me down when they want it, make me give it up. And when you have two guys with all the right stuff, I'm one horny, happy MILF. But enough talking. I want one in my pussy and one in my ass, after I'm done sucking them!
